

Bowtie Risk Management Training

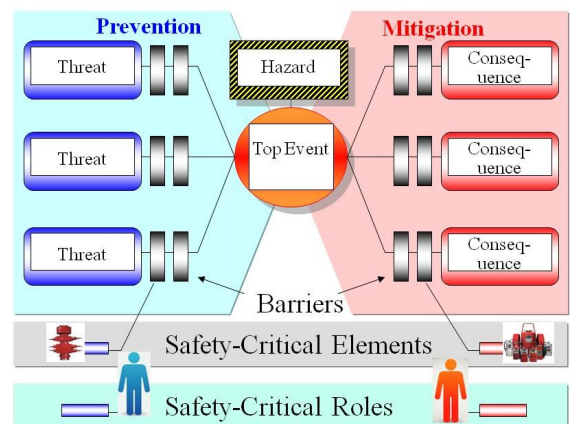

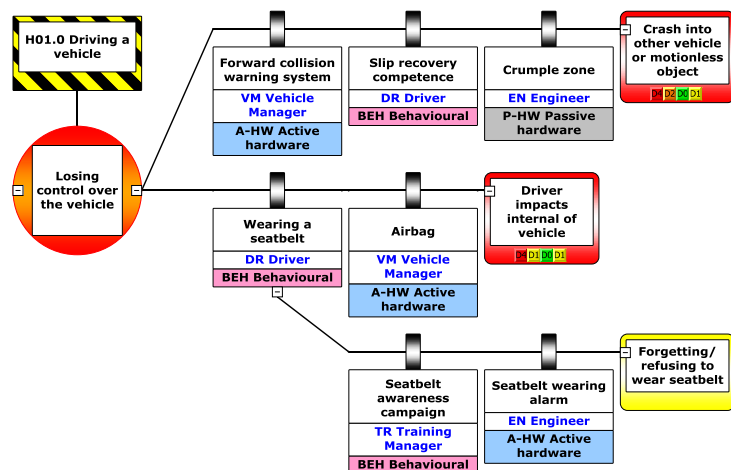

Risktec Solutions invites you to attend a 1-day Bowtie Risk Management course. During this course, you will learn everything there is to know about the Bowtie methodology and how to apply the method during exercises using the BowTieXP software. The purpose of the training course is to introduce HSE and risk professionals to bowties and how they fit within risk evaluation and management practices. Using the BowTieXP software encourages best practice in developing bowties to understand not only what controls are in place today, but why they will still be there tomorrow.

All attendees will receive a Certificate of Attendance.

Course outline:

- Introduction: Why Bowties?
- The Bowtie method in Risk Management
- Interactive Bowtie Workshop
- Assuring Barrier Integrity
