

How to find us

Derby Office

TÜVRheinland®
Risktec

By Road

Pride Parkway is most easily accessed from the A52 Brian Clough Way, following signs for The Wyvern and Pride Park. Follow Wyvern Way to the large roundabout next to Toys R Us and then along Derwent Parade, towards Pride Park Stadium. Continue through the roundabout, past the stadium (on your left), then through the second roundabout until reaching a third roundabout, the junction with Pride Parkway. Take the second exit from this roundabout on to Locomotive Way, then take the first left on to St Christopher's Way.

By Train or by Air

Derby Station is just 10 minutes walk from the office. Leave the station by the Pride Park exit (over the bridge from the main entrance) on to Roundhouse Road. Follow Roundhouse Road taking the second right on to Locomotive way. Turn left on to Pinnacle Way passing the LRQA building on your right. At the next junction turn left on to Locomotive Way, passing the back of the VW car sales. As the road curves round to the left, take a right turn on to St Christopher's Way, passing the Rolls Royce building on your right. Continue to the end of St. Christopher's Way and our building is on your right with a sign marked Derby Conference Rooms and Oberoi Consulting.

East Midlands Airport is situated 8 miles to the south of Derby. Skylink buses connect the airport with Derby Railway Station every thirty minutes. Please note that the station has automatic ticket barriers which restrict access across the footbridge to Pride Park. If you do not have a train ticket, you will need to seek assistance from staff.
