Pride Parkway is most easily accessed from the A52 Brian Clough Way following signs for The Wyvern and Pride Park. Follow Wyvern Way to the large roundabout and then along Derwent Parade towards Pride Park Stadium. Continue through one roundabout, past the stadium (on your left), through a second roundabout until reaching a third roundabout, the junction with Pride Parkway. Take the first exit from this roundabout onto Pride Parkway. When you reach the next roundabout, take the forth exit to Orient Way. Then when you reach a small roundabout, take the third exit towards the parking area. Our building will be on the left, behind 4b Mallard Way building.
