East Kilbride is situated 11 miles South of Glasgow City Centre.

## **From the North**

Coming from the North (Glasgow City Centre), the West (Glasgow International Airport) or the South West (Kilmarnock/Ayrshire) use the M77 leaving at Junction 5 A726 Glasgow Southern Orbital when you get to the end of this road turn right at a large roundabout underneath a fly-over (Tax Centre One). Joining the dual carriageway take the second exit at the next 4 roundabouts and carry straight on. At the fifth roundabout take the third exit and enter the Scottish Enterprise Technology Park. Continue past the Security Office and when able, take the right hand lane in a one way system, and follow the road round to the right (you will now have doubled back on yourself). The first building on your right is the Arx House building and parking is available on both sides of the building.

## **From the South**

On the M74 leave at Junction 5 and take the A725 towards East Kilbride and Paisley. The A725 is dual carriageway and brings you to a Roundabout known as the Whirlies (unmistakeable due to the structures (whirlies) that are built on it), take the second exit which continues on the A725. At the next two roundabouts take the second exit and continue straight on. At the third roundabout you take the second exit and enter the Scottish Enterprise Technology Park. Continue past the Security Office and when able, take the right hand lane in a one way system, and follow the road round to the right (you will now have doubled back on yourself). The first building on your right is the Technology Centre and parking is available on both sides of the building.
